

ACCESSUS HEALTH

A brand of **ECKER**  **ECKER**

Your Gateway to Europe:
Market Access for Biotech and Pharmaceutical Companies

Local Market Access and EU HTA

Our Services

Local Market Access

Market Access is local. We offer a one-stop shop for Europe: Together with our partner companies we cover all key EU markets with local HTA submissions and Pricing and Reimbursement procedures. Currently we support submissions in Germany (G-BA), France (HAS), Italy (AIFA), Spain (AEMPS), Austria (Dachverband), UK (NICE, SMC, AWMSG), Switzerland (BAG), Poland (AHTAPol), Netherlands (ZIN, CieBAG), and further countries in the CEE region. To be Your Gateway to Europe.

Our common methodology allows fast execution and avoids unnecessary duplications.

Regular internal updates between all partner companies.

Health Technology Assessment is increasingly European. Together with our partner companies we offer full-scale support for EU HTA, following one common methodology.

EU HTA Strategy Development

- Analysis EU HTA obligation
- Simulation of consolidated PICO
- Gap analysis based on consolidated PICO
- Consolidated price simulation
- EU HTA strategy
- Scientific consultation
- Strategy update
- Stakeholder management
- Monitoring

EU HTA Assessment

- Factual Accuracy Check
- Review JCA Report
- Lessons learned
- Stakeholder management
- Monitoring

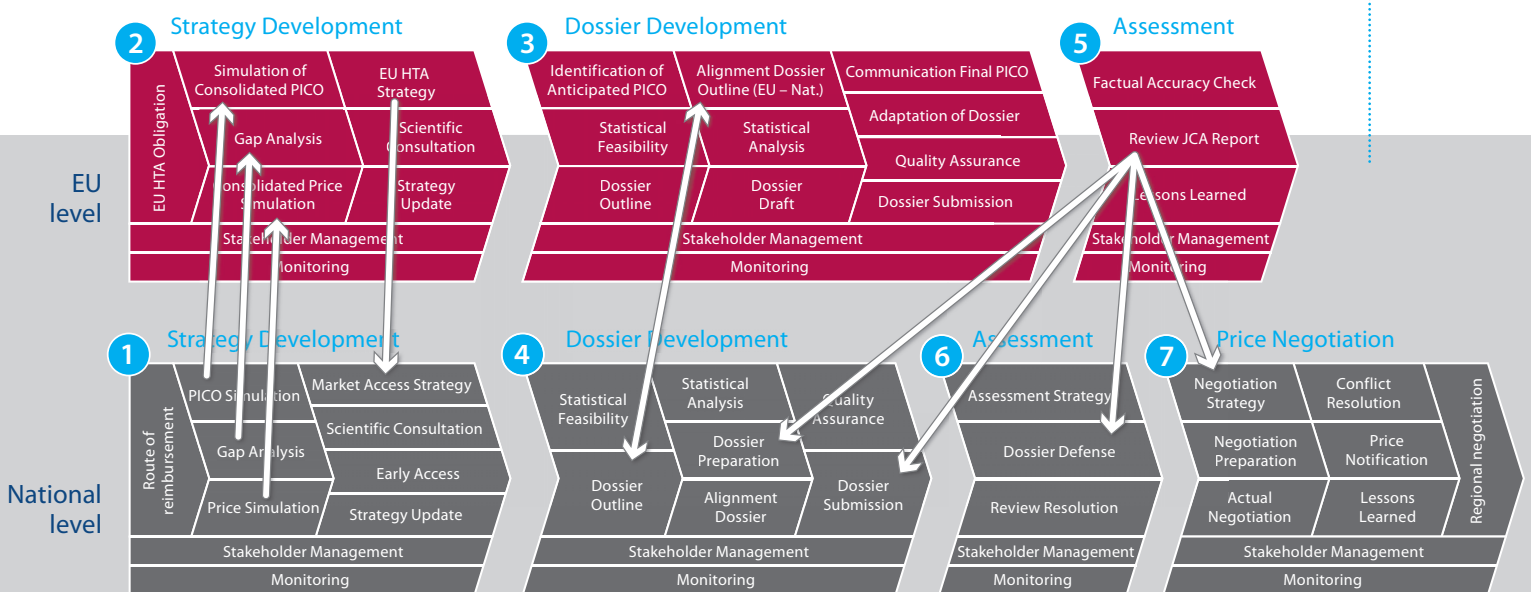

EU HTA Dossier Development

- Definition of assumed PICO
- Statistical feasibility
- EU HTA dossier outline
- Alignment dossier outline (EU – national)
- Statistical analysis
- Dossier draft
- Communication of final PICO
- Adaptation of dossier to final PICO
- Quality check
- Dossier submission
- Stakeholder management
- Monitoring

Organizational Readiness

- Training
- Organizational review
- HTA pipeline management
- Mock-up

National and EU HTA need to be closely aligned.

Accessus Health offers Market Access services for all European markets. 250 local Market Access experts from our network of partner companies follow one common methodology.
